

Download the App

Maximize Your Congress Experience!

Get the full WSSFN 2024 experience by downloading the official Congress app today!

Search for **"Kenes Congresses"** in your app store, or scan the QR code on the image on the right, to **download and install the Congress App**.

After installing it, you'll need to enter the congress code **WSSFN2024**, then log in using the credentials* you received via email and enjoy!

**Log-in credentials will be sent to registered participants before the start of the Meeting.*

App Features

The WSSFN 2024 Congress app will give you access and easy navigation to everything in one place.

Main Menu

Navigate and explore all app features from the main screen.

Program

Access the full scientific program & plan your schedule.

Faculty

Learn more about this year's speakers & review their profiles.

Networking

Start conversations with other attendees & build connections.

Personal Area

Check your messages, notes and bookmarked sessions.

Sponsors & Exhibitors

Check out this year's sponsors, exhibitors and the industry symposia.

E-Posters

Bookmark and review all e-Poster presentations & discussions you want to see.

Information

Everything you need to know about the Congress, the venue and the city in one place.

My e-Tickets

Access all your pre-booked function tickets & present them to the onsite attendants.

More Info

Learn more about our sustainable initiatives, research hubs in Chicago and more.
