

# Keynote Lecture

## WSSFN 2024 KEYNOTE LECTURE: THE GLOBAL BURDEN OF LONELINESS

September 4, 10:00 – 10:30 am | The Swissotel Chicago, Vevey hall

We are thrilled to announce that our XX<sup>th</sup> WSSFN Congress will feature a Keynote Lecture by none other than the 21<sup>st</sup> Surgeon General of the United States – Dr. Vivek H. Murthy!

Dr. Murthy is a distinguished physician, researcher, and public health advocate who has dedicated his career to addressing the most pressing health crises of our time.

His Keynote Lecture at WSSFN 2024 will provide invaluable insights into the loneliness epidemic, highlighting how interdisciplinary approaches can enhance patient outcomes and address global health challenges.

Don't miss the opportunity to join a landmark event in neurosurgery and gain first-hand insights from Dr. Murthy and other world-renowned experts.

Register for WSSFN 2024 today and be part of the future! [Register Here](#)
