Travel Grant Application

The **World Society for Stereotactic and Functional Neurosurgery** is offering travel grants towards the cost of travel and accommodation for young neurosurgeons who wish to participate in the WSSFN XX World Congress to be held in Chicago, USA, September 3-6, 2024.

Grants range between USD 1,000 to 2,000 depending on the geographical location of the applicant and in consideration of travelled distance.

Candidates must be neurosurgery residents with interest in stereotactic and functional neurosurgery, or neurosurgery fellows specializing in this field, and must have submitted an abstract to the meeting.

Travel Grant application form is available inside the abstract submission form.
